

BILLINGS SYMPHONY ORCHESTRA & CHORALE

FOR IMMEDIATE RELEASE

March 13, 2020

The Billings Symphony Postpones *West Side Story: Symphony Concert Version* Until Further Notice

Billings MT- In light of the current situation regarding the COVID-19, the Billings Symphony Orchestra & Chorale is postponing the production of *West Side Story: Symphony Concert Version*, originally scheduled for Saturday, March 14, until further notice.

Our highest priority is the safety and well-being of our patrons, donors, musicians, guest artists, and all our symphony family.

This decision was not easy to make. The BSOC, as well as other local organizations, are following the preventive measures stipulated by the [CDC](#), which recommends implementing social distancing measures such as canceling or postponing gatherings of 250 people or more. We understand this is disappointing to everyone involved and appreciate your understanding during this time.

Your ticket to *West Side Story: Symphony Concert Version* will be valid once again when it is rescheduled. The BSOC will keep you updated and informed as new information becomes available.
